

DEJA VU

AESTHETIC TRAINING ACADEMY

MODEL TESTIMONIAL 01

*“ I would like to say that I'm totally thrilled with my lip fillers!!
The result is way better than I would have expected. The venue was
beautiful light refreshments on arrival and I was met by a member of the
team who instantly put my mind at rest in a professional manner. I was
called through for my treatment and again, met by Jane who was so
pleasant.*

*I was asked by a trainer what I wanted to achieve... I explained and he
started the treatment! As I said, the results were amazing and instant!!
Can't wait to try new treatments and have more fillers.*

*The best thing is that the team email asking for models on a regular basis...
It's perfect....*

I would definitely recommend deja vu and I will be using them again xx ”
